EXECUTIVE SUMMARY

Goffs London Sale 2026 — the eve-of-Ascot boutique

This is a different animal from a breeze-up. The Goffs London Sale is the world's only auction where a buyer can purchase a horse **declared to run at Royal Ascot the next day**. Value here is driven by proven race form and black-type, a live Royal Ascot engagement, the female family, and residual stallion/broodmare value — not an under-tack clock. This report reads all **16 active lots** (Lot 12 withdrawn) from the catalogue and the verified Goffs/TDN preview.

16 active lots	6 black-type / Group	13 Ascot-entered	£5M sale record (ref.)
--------------------------	--------------------------------	----------------------------	----------------------------------

Key findings

- **Lot 9 Green Sense is the headline.** A Group 2 winner (Prix Robert Papin), Group 1-placed (Phoenix S.), entered in the **G1 Coronation Stakes** for Joseph O'Brien — a ready-made Royal Ascot runner with elite broodmare value. Top-price candidate.
- **Lot 8 Alfred Wallace is the blue-blood:** by Dubawi out of G1 Falmouth winner Snow Lantern (Frankel), from the Sky Lantern dynasty (4× G1).
- **13 of 16 lots carry a probable Royal Ascot entry** across Tuesday–Saturday — the entire commercial premise of the sale.
- **International black-type** (Asker — G3 winner; Sky Watch — German 1000 Gns-placed) suits the Australian stayer/sprinter buyers (Waterhouse/Bott) who have repeatedly mined this sale.

METHODOLOGY

What drives value at an eve-of-Ascot sale

We score each lot on the factors that actually move price at this specific auction. Unlike a 2YO breeze-up, there is no under-tack time; the evidence is the horse's own racecourse form. Figures and engagements below are taken from the catalogue and the verified Goffs/TDN preview (June 2026).

Value drivers (weighted)

Factor	Weight	Rationale
Own form / black-type	45	Group/Listed class is the currency here — a G1/G2 performer is a finished article, not a projection.
Live Royal Ascot entry	20	The unique selling point: a horse that can run at the Royal Meeting in 24 hours. A Group entry > a handicap entry.
Female family / page	20	Drives residual broodmare value (fillies) and long-term appeal.
Sex & residual value	8	Filly with black-type = broodmare upside; colt = stallion option; gelding = racing value only.
Consignor / trainer	4	Top yards (O'Brien, Eustace, Cox, O'Callaghan, Walker, Meade) add trust.
Age / upside	3	Younger horses carry more career ahead.

Classification

- **Black-type / Group** — proven Group/Listed winners or placed horses (the headline buys).
- **Ascot prospect** — progressive winners with a live Royal Ascot entry and upside.
- **Value / page play** — lightly-raced or page-driven lots; broodmare or speculative buys.

Stated limitation: this is a desk analysis of form, pedigree and engagements. It does not replace a physical inspection, the wind/veterinary view, or confirmation of final Royal Ascot declarations on the day. Ratings and entries can change. Detailed per-lot pedigree (full produce records, red-cap) is available via single analysis.

SALE OVERVIEW

The Royal Ascot angle, in numbers

Fig. 2 — Probable Royal Ascot entries by race. The 2yo speed lots cluster on the Coventry (Tue) and Queen Mary (Wed); the progressive handicappers point to the Britannia (Thu); Green Sense holds a G1 Coronation / G3 Jersey option (Sat).

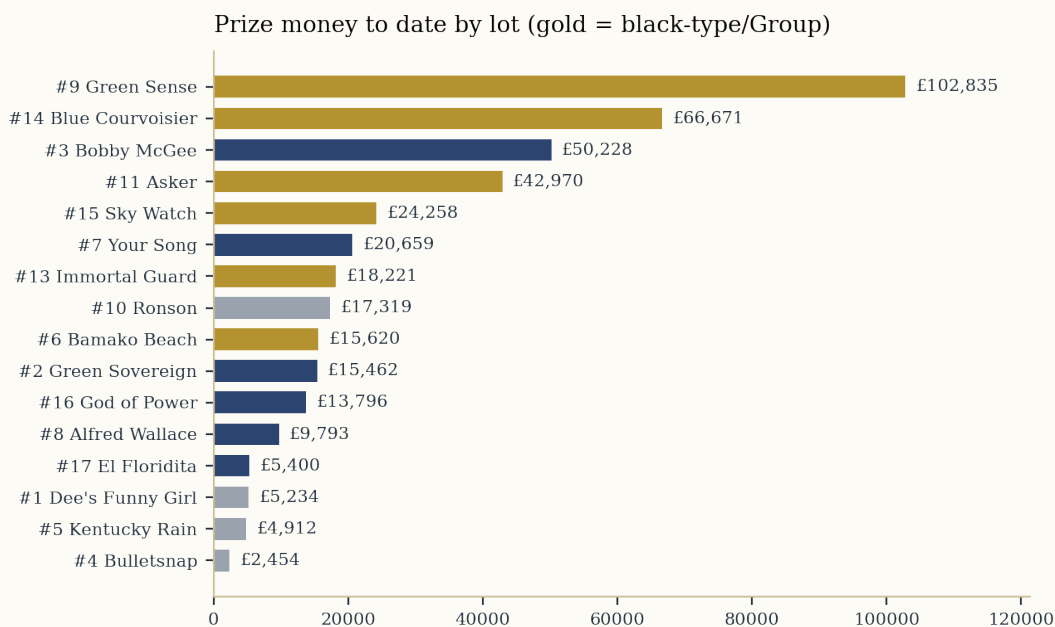

Fig. 3 — Prize money earned to date. Green Sense (£102,835) and the proven 3yo handicappers head the field; the 2yos carry lower earnings but more upside.

HEADLINE LOTS

Black-type / Group class

Proven Group or Listed-class horses — the lots that will set the market. Bespoke notes follow.

Lot	Horse	Age/Sex	Sire	Form & black-type	Ascot entry
9	Green Sense (IRE)	3 filly	Starman	G2 Prix Robert Papin winner; 3rd G1 Phoenix S.; ran G2 Prix de Sandringham; £102,835	Coronation S. (G1) / Jersey S. (G3) (Sat)
6	Bamako Beach (FR)	3 colt	Sands of Mali	Official rating 102; 7th Irish 2,000 Guineas (G1)	Britannia H. (Thu)
13	Immortal Guard (IRE)	2 colt	Persian Force	Winner at 2 + 3rd Marble Hill S. (G3)	Coventry S. (Tue)
14	Blue Courvoisier (GB)	3 colt	Sea The Stars	2 wins, £66,671; won the valuable Silver Bowl H. (Carlisle)	Britannia H. (Thu)
11	Asker (GER)	3 colt	Aclaim	3 wins, £42,970, incl. Dr Busch-Memorial (G3); 5th G2 German 2,000 Guineas	—
15	Sky Watch (IRE)	3 filly	Starman	Winner + 3rd German 1,000 Guineas (G2); £24,258	—

Lot 9 — Green Sense (IRE) (3f, Starman). The headline lot. A Group 2-winning, Group 1-placed filly entered in the G1 Coronation Stakes — a ready-made Royal Ascot runner with elite broodmare value. Top price candidate.

Lot 6 — Bamako Beach (FR) (3c, Sands of Mali). Classic-trying miler rated 102 off an Irish Guineas run — by far the highest-rated colt in the sale and a serious Britannia / international prospect.

Lot 13 — Immortal Guard (IRE) (2c, Persian Force). Already black-type-placed at the Curragh and entered in the Coventry — the most precocious black-type colt in the catalogue.

Lot 14 — Blue Courvoisier (GB) (3c, Sea The Stars). Sea The Stars colt who landed one of the season's hottest 3yo handicaps; a strongly-fancied Britannia horse — and crucially, OUT OF Group 2 Temple Stakes winner Priceless, so real residual value.

Lot 11 — Asker (GER) (3c, Aclaim). A genuine Group 3-winning German Classic miler. No Royal Ascot entry noted — but exactly the international black-type type the Australian buyers (Waterhouse/Bott) target.

Lot 15 — Sky Watch (IRE) (3f, Starman). German Classic-placed filly by the in-form Starman; black-type-placed form plus broodmare value. International/breeding buyers' lot.

ROYAL ASCOT PROSPECTS

Progressive, with a live engagement

Winners on the upgrade carrying a probable Royal Ascot entry — the buy-tonight-run-tomorrow lots.

Lot	Horse	Age/Sex	Sire	Form & black-type	Ascot entry
8	Alfred Wallace (GB)	2 colt	Dubawi	Winner of 2 at 2 (Thirsk)	Coventry S. (Tue)
2	Green Sovereign (GB)	2 colt	Lope Y Fernandez	Winner of 2; wide-margin maiden/novice winner	Coventry / Windsor Castle (Tue/Wed)
7	Your Song (IRE)	2 filly	Coulsty	Winner of 2, £20,659; beat two previous winners at Naas	Queen Mary S. (Wed)
3	Bobby McGee (GB)	3 gelding	Mayson	3 wins at 3, £50,228; won last 3 incl. Blackwater H. (Naas)	Britannia H. (Thu)
17	El Floridita (GB)	2 colt	Havana Grey	Winner of 2 (Redcar maiden, 2nd start), £5,400	Norfolk S. (Thu)
16	God of Power (IRE)	3 gelding	Lope de Vega	Winner at 3 + placed, £13,796	Britannia H. (Thu)

Lot 8 — Alfred Wallace (GB) (2c, Dubawi). The blue-blood of the sale: Dubawi over a G1-winning Frankel mare from the Sky Lantern dynasty. Residual stallion value if he trains on; Coventry entry.

Lot 2 — Green Sovereign (GB) (2c, Lope Y Fernandez). Improving Eustace colt for Munir/Souede with two Ascot options; the profile big buyers chase.

Lot 7 — Your Song (IRE) (2f, Coulsty). Already beat winners; fast filly with a Queen Mary entry and a proper French sprint family.

Lot 3 — Bobby McGee (GB) (3g, Mayson). Rated 93 and progressive — three on the bounce. Gelding (no residual value) but a live Britannia handicap horse; conformation/race footage online.

Lot 17 — El Floridita (GB) (2c, Havana Grey). Speedy Havana Grey colt who burned off his field at Redcar; a real Norfolk-type page full of fast black-type.

Lot 16 — God of Power (IRE) (3g, Lope de Vega). Lope de Vega gelding with a Britannia entry; a racing buy — no residual value, value lives in the Ascot ticket and the page.

VALUE & PAGE PLAYS

Lightly raced / breeding upside

Lots driven by the page or by upside rather than established form — speculative racing or broodmare buys.

Lot	Horse	Age/Sex	Sire	Form & black-type	Ascot entry
1	Dee's Funny Girl (IRE)	2 filly	Cotai Glory	Winner at 2 (Thirsk 5f, only start)	Queen Mary S. (Wed)
5	Kentucky Rain (IRE)	2 filly	Lucky Vega	Placed on only start at 2	Queen Mary S. (Wed)
4	Bulletsnap (IRE)	2 colt	Minzaal	Placed on only start at 2	Coventry S. (Tue)
10	Ronson (GB)	2 colt	Ubettabelieveit	Winner + placed, 3 starts, £17,319; 2nd at Beverley	—

Lot 1 — Dee's Funny Girl (IRE) (2f, Cotai Glory). Unbeaten on debut + a live Queen Mary entry; speed page, vet cert. Pure upside filly.

Lot 5 — Kentucky Rain (IRE) (2f, Lucky Vega). Lightly-raced filly with a deep black-type page and a Queen Mary entry — broodmare upside even if she falls short on track.

Lot 4 — Bulletsnap (IRE) (2c, Minzaal). One run, placed, with a Coventry entry — a speculative buy on a page and an engagement.

Lot 10 — Ronson (GB) (2c, Ubettabelieveit). Honest, fast Tinkler colt from a black-type sprint family; no Ascot entry noted, so a racing/value buy rather than a Royal Meeting play.

SIRE INTELLIGENCE

Stallions represented

A boutique sale skewed to elite European sires and in-form sprint/Classic stallions.

Sire	Read
Dubawi	Elite Darley sire (Lot 8) — among the world's best; over a G1 Frankel mare here. Top of the tree for residual value.
Sea The Stars	Elite Gilltown sire (Lot 14); classic/middle-distance influence, here siring a hot handicapper.
Lope de Vega	Premier Ballyinch sire (Lot 16); consistent Group-class source.
Starman	In-form young Tally-Ho sprint sire — represented by TWO black-type performers here (Green Sense G2 win/G1 plc & Sky Watch G2 plc). Strong advert for the stallion.
Sands of Mali	Sire of Bamako Beach (rated 102) — a Classic-tried miler.
Mayson	Sire of progressive rated-93 Bobby McGee.
Persian Force / Mehmas line	Precocious 2yo speed (Immortal Guard, G3-placed; Bulletsnap).
Havana Grey / Cotai Glory / Coulsty / Ubettabelieveit	Fast, precocious sprint sires behind the juvenile speed lots (17, 1, 7, 10).

Note the **Starman** double — Green Sense (G2 win / G1-placed) and Sky Watch (G2-placed) are both by the young Tally-Ho sprinter, a strong real-time advert for the stallion.

DAM & FAMILY INTELLIGENCE

Notable dams & black-type families

Verified female-family black-type close up — the residual value half of the page.

Lot	Dam / family	Black-type (verified)
8	Snow Lantern (GB)	Dam herself a G1 Falmouth Stakes winner (by Frankel); she is out of Sky Lantern, winner of 4 Group 1s (1000 Guineas, Coronation, Moyglare, Sun Chariot). Blue-blood.
14	Priceless (GB)	Dam herself a Group 2 winner (Temple Stakes, £156,047; also Listed Lansdown & Scarborough). A black-type producing mare.
9	Big Boned (USA)	Placed at 2; dam of 5 winners incl. Green Sense (G2 win / G1 Phoenix-placed) and K Club (£76k, winner at home, in France and Germany).
1	Comical (IRE)	Unraced; 2nd dam Veronica Falls, 3rd dam Listed/G3-placed Red Peony; family of G3 Select Stakes winner Red Badge.
7	Galaktea (IRE)	2 wins in France, 3rd Prix d'Arenberg (G3); a strong producer — dam of 7 winners.
5	Equanimity (IRE)	Unraced; dam of Listed winner Son of Corballis (Tipperary S.); deeper family includes a UAE Oaks (L) winner.
17	Ascot Jungle (GB)	Family of Temple Meads (G2 Mill Reef), El Caballo (G2 Sandy Lane) and Symbology (G2-placed).

The standout page is **Lot 8 Alfred Wallace** — Dubawi over Snow Lantern (G1 Falmouth), out of the four-time Group 1 winner Sky Lantern. That is as blue-blooded as a juvenile colt page gets.

MARKET ESTIMATE

Indicative value bands (GBP)

The London Sale trades from the mid-five figures to seven figures. Bands below are **indicative**, anchored to recent Goffs London results, and are *not* formal appraisals. EUR ≈ GBP × 1.17 (approx, mid-2026).

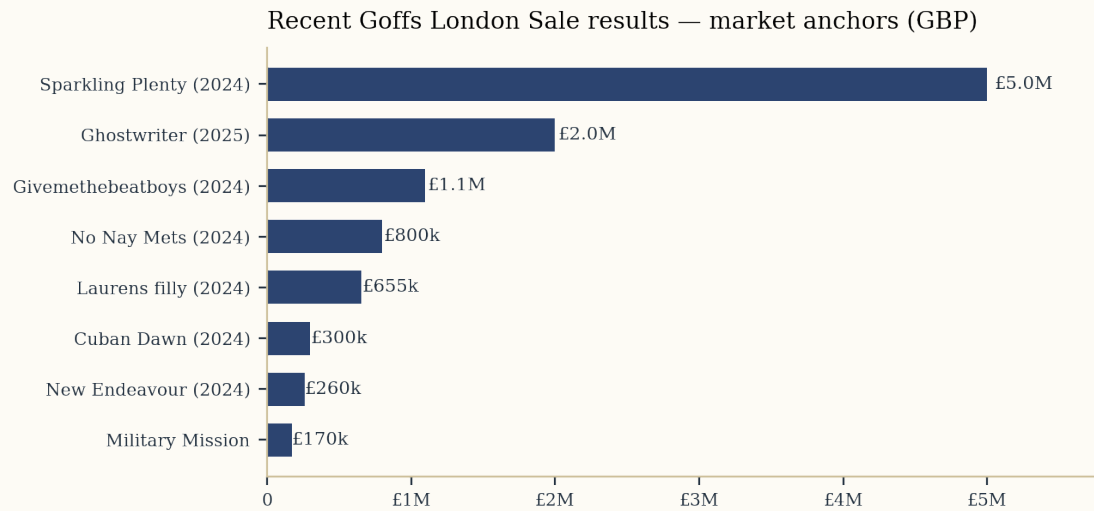

Fig. 4 — Recent Goffs London Sale results used as market anchors.

Indicative bands for this catalogue

Lot profile	Indicative GBP	≈ EUR
Group performer + Group Ascot entry (e.g. Lot 9 Green Sense)	£400k – £1.5M	€470k – €1.75M
Group/high-class + Ascot entry (Lots 6, 14, 13)	£150k – £500k	€175k – €585k
Blue-blood / residual value colt (Lot 8)	£150k – £450k	€175k – €525k
Progressive winner + Ascot entry (Lots 2, 7, 1, 17, 3, 16)	£80k – £250k	€94k – €290k
International black-type, no Ascot entry (Lots 11, 15)	£100k – £350k	€117k – €410k
Lightly-raced / page play (Lots 4, 5, 10)	£40k – £120k	€47k – €140k

How to read these: the sale ceiling is set by ready-made Group horses with a live Royal Ascot ticket — Ghostwriter made £2M (2025) and Givemethebeatboys £1.1M (2024) on exactly that profile, which is where Green Sense sits. Australian and international buyers underpin the staying/black-type lots. Every band is conditional on the vet/wind view and confirmation of final Ascot declarations.
