AI-POWERED THOROUGHBRED BLOODSTOCK INTELLIGENCE

CATALOGUE ANALYSIS REPORT

OBS June 2026

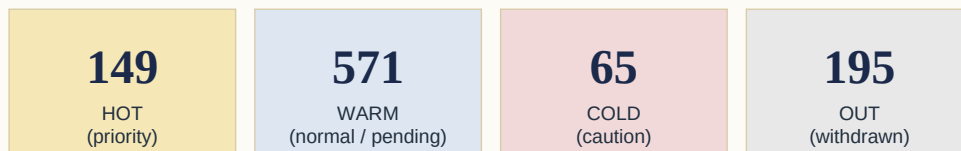

2YO in Training & Horses of Racing Age Sale

980 lots · Stallion & dam intelligence · Market estimates · Ocala, Florida

BloodstockAI screening model + verified research · Generated 12 June 2026

EXECUTIVE SUMMARY

OBS June 2026 — full catalogue screen

This report applies the BloodstockAI screening model to **all 980 lots** in the OBS June 2026 catalogue. Scoring is built strictly on verified catalogue data — **under-tack (breeze) time, sex, foaling date, sire, state bred, consignor and status** — cross-referenced with each stallion's established commercial profile. **No pedigree data was fabricated.**

Key findings

- **Half the catalogue has no breeze posted.** 440 lots are timed; **540 are not yet** (mostly Hips 613+). Without the clock — the single biggest price mover at a breeze-up — those lots are flagged **PENDING** and need re-ranking after the under-tack show.
- **Both Flightline (first crop) are OUT.** Hips 454 and 808 — 2026's biggest commercial draw has left the catalogue.
- **One lot has already won:** Hip 929 (Roadster, FL) is marked **WINNER** — the only proven runner in the sale.
- This is the calendar's **depth / value sale**, not a select. The average resale ceiling is lower, but it is where **relative value** lives — horses that breeze above what their page suggests.

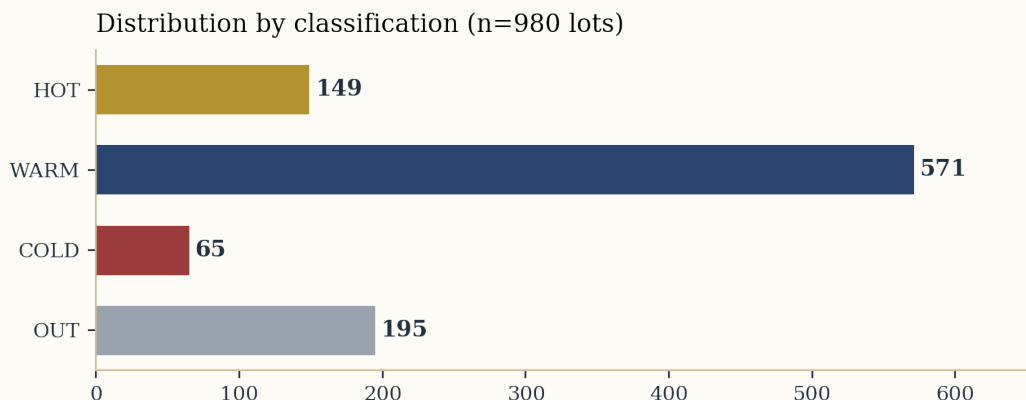

Fig. 1 — Distribution of the 980 entries by model classification.

METHODOLOGY

How each lot is scored — and what the model cannot see

In a 2YO in training, three pillars drive price. The model measures two precisely from the catalogue. The third — physique, conformation, video action, scope and x-rays — **requires in-person and veterinary inspection and is not included here**. We state this openly: it is what separates a serious screen from a guess.

Model weights (max ≈ 100 points)

Factor	Max wt.	Rationale
Breeze (under-tack)	45	The clock moves price on the day. Bullet :09.4 (1/8) or :20.4 (1/4) = top.
Stallion commercial tier	30	Sets resale ceiling and liquidity. Elite > young/strong > solid > regional.
Foaling date	10	For a June sale, Jan–Mar = more mature and ready than May–Jun.
Sex	8	Colts tend to command more at a 2YO sale (residual value).
State bred	4	KY = top perceived quality; state programs aid racing return.
Consignor (mark)	3	Outfits with a pinhook track record draw more trust.

Classification rules

- **HOT** — score ≥ 78 with a fast breeze (or WINNER). The best risk-reward *within this sale*.
- **WARM** — score 60–77, *or* no breeze posted (PENDING, to re-rank). Good profile missing one vector.
- **COLD / caution** — slow breeze + modest-ceiling sire; G-only (no timed work); or defaulted account.
- **OUT** — withdrawn from the catalogue, not available.

Stated limitation: the "Stallion tier" reflects durable commercial profile (fees/standings change). Stallions outside our commercial map get a neutral weight, never an invented tier. Detailed pedigree evaluation (sire/dam red cap, produce record and black-type siblings) is an additional layer, available on request via single analysis.

CATALOGUE OVERVIEW

Commercial composition of the sale

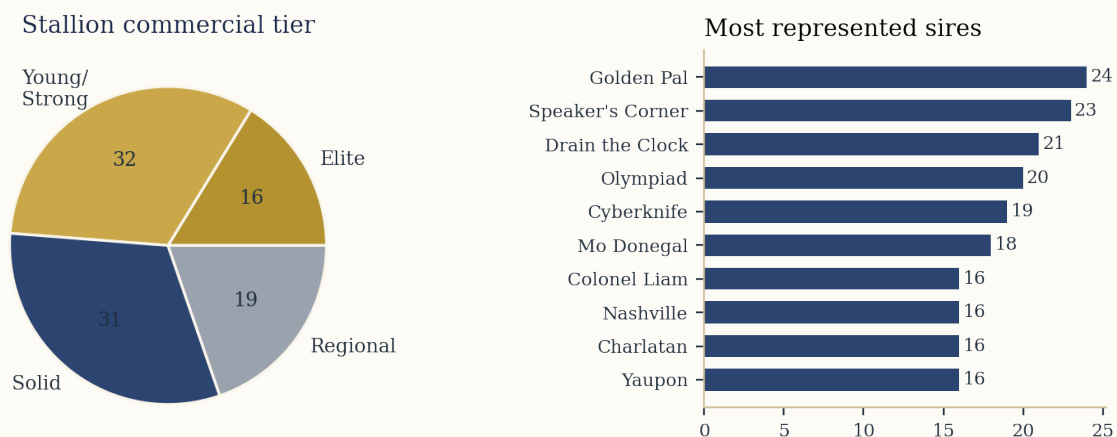

Fig. 2 — Stallion commercial tier (left) and most represented sires (right). Golden Pal and Speaker's Corner — fashionable young speed sires — lead by volume, a read on the sale's commercial appetite.

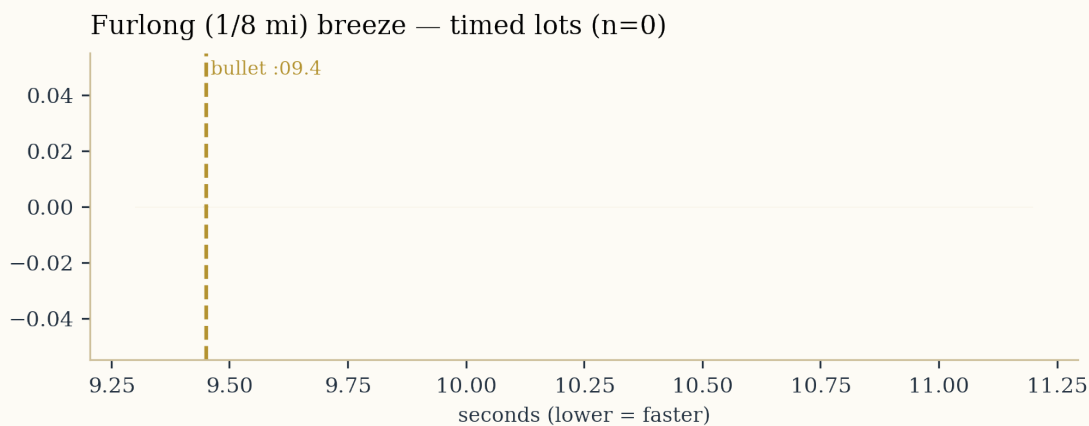

Fig. 3 — Distribution of 1/8-mile breezes among timed lots. The mass sits at :10.0–:10.3; bullet :09.4 works are rare and prized.

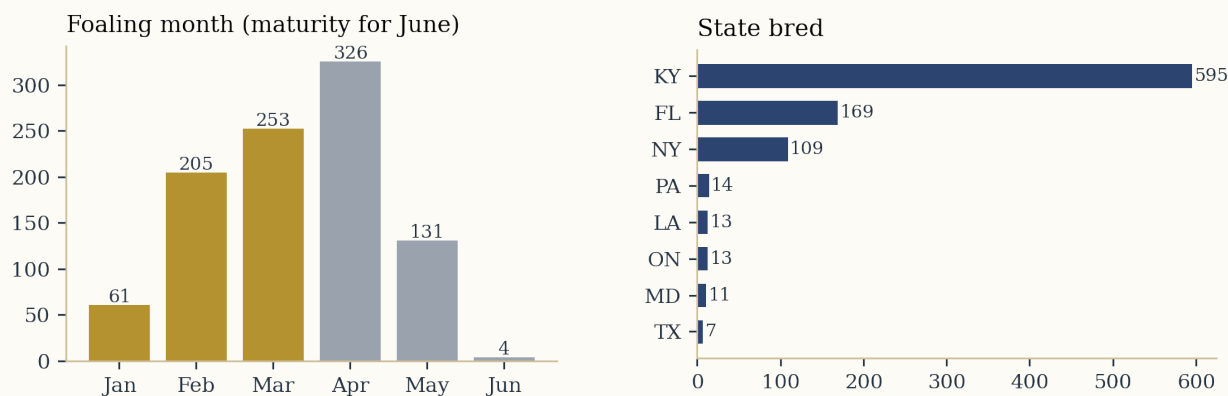

Fig. 4 — Foaling month (Jan–Mar foals, in gold, are more mature for a June sale) and state bred (Kentucky dominant).

STALLION INTELLIGENCE

Top stallions available in the catalogue

The sire sets the resale ceiling and liquidity of every lot. Below, verified production metrics for the proven elite represented here, then the young / first-crop sires that drive the speculative premium at a 2YO sale. Figures are sourced from stallion farms, BloodHorse, TDN and Paulick Report (2025–2026).

Elite / proven sires

Sire	2026 fee	Production headline (verified)
Curlin	\$225,000	Sire of 100+ stakes winners; 157 graded SW (incl. champions Vino Rosso, Malathaat, Elite Power); 16.2% win rate; sired 2026 KY Derby winner Golden Tempo
Into Mischief	\$250,000	#1 NA general sire 7 straight years; \$31.86M progeny earnings 2025; 92 graded SW & 187 black-type winners; 9 Breeders' Cup winners; 3 KY Derby winners
Gun Runner	\$250,000	11 graded SW + 17 black-type winners in 2025; 11 career G1 winners & 15 millionaires (Sierra Leone, Locked); yearling avg ~\$1.0M, 17 yearlings \$1M+
Quality Road	—	Consistent elite sire; broad classic & graded production; reliable commercial liquidity
Uncle Mo	—	77+ career stakes winners; sire of sires (Golden Pal, Yaupon, Nyquist, Mo Donegal)
Candy Ride (ARG)	—	Sire of Gun Runner, Game Winner, Vekoma; elite classic influence

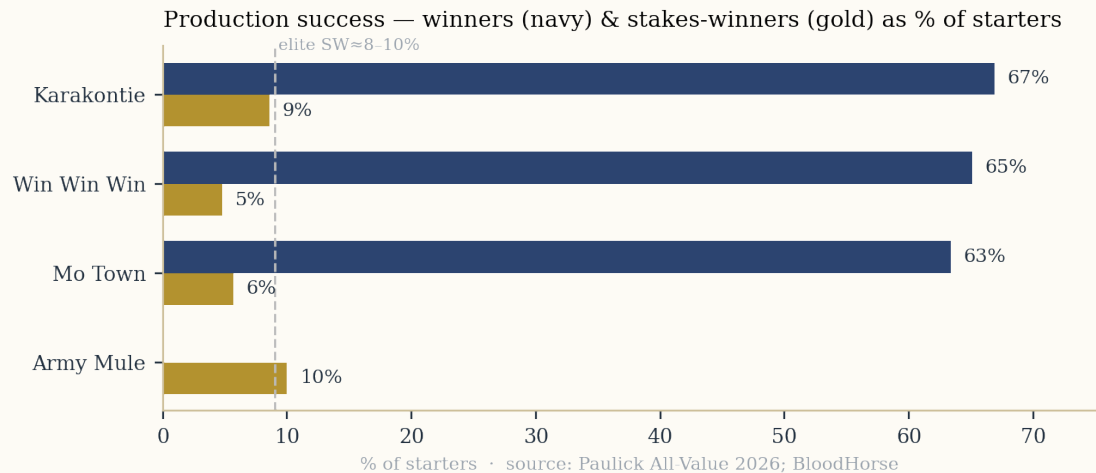

Fig. 5 — Production success for comparable value-tier sires in the catalogue: winners and stakes-winners as a percentage of starters. A lifetime stakes-winner rate of 8–10% (Army Mule, Karakontie) is elite-class for the price point. Sources: Paulick All-Value 2026; BloodHorse.

First-crop & young fashionable sires

These carry the most commercial heat at a 2YO sale: with little or no race data yet, the market pays for upside. Several of the most-represented sires in this catalogue sit exactly in this window.

Sire	2026 fee	Crop	Early signal (verified)
Epicenter	\$25,000	1st crop (2YOs of 2026)	Big freshman story: ~203 first-crop 2YOs. First winner Epic Reign, 4½-length romp at Churchill, 28 May 2026. First son of red-hot Not This Time to stud
Jack Christopher	\$45,000 (intro)	1st crop (2YOs of 2026)	By Munnings; 5 wins/6 starts, 3× G1. Topped F-T July 2025 yearlings at \$350,000; well-conformed, fast types
Cyberknife	\$15,000	1st crop (2YOs of 2026)	First multiple-G1 son of Gun Runner. First runner Cut Throat. Honest note: OBS March avg only ~\$87k (below elite freshmen); full-sister Skyforge made \$1.05M
Golden Pal	\$25,000	1st crop (2YOs of 2026)	Dual Breeders' Cup winner, fastest turf sprinter; by Uncle Mo. Himself a breeze-up product. Most-represented sire in this catalogue
Speaker's Corner	\$20,000 (intro)	1st crop (2YOs of 2026)	By Street Sense; 4th by average among first-crop sires at F-T July 2025 (\$116,667). A Speaker's Corner colt brought \$875k at OBS Spring 2026
Jackie's Warrior	—	2nd crop	Champion sprinter by Maclean's Music. Yearlings avg \$216k; OBS March avg \$268k. First-crop foals breezed avg :9.81 (4th among freshmen)
Yaupon	—	2nd crop	Led all 96 freshman sires of 2025 with a 22.4% win rate; sharp speed

Reading the freshman field

- **Epicenter** is the headline first-crop story of the sale — the first son of red-hot Not This Time at stud, with his first winner already on the board (Epic Reign, late May 2026). Any Epicenter lot that breezes well will draw a crowd.
- **Golden Pal** is the single most-represented sire in this catalogue — a dual Breeders' Cup winner and himself a breeze-up product. First-crop, all upside, perfectly matched to the speed bias of a June sale.
- **Jack Christopher** (first crop) and **Jackie's Warrior** (second crop) both sell precocity and have shown strong sales averages; their fast types fit the under-tack format.
- **Honest caveat — Cyberknife.** Despite a multiple-G1 race record, his first 2YOs averaged only ~\$87k at OBS March, below the elite freshmen. Strong individuals can be value here, but the market has not (yet) paid a premium for the sire alone.

DAM & FAMILY INTELLIGENCE

Notable dams & black-type families

A strong female family is the second half of the page. Below are lots in this catalogue whose dams sit close to genuine black-type — verified, hip-by-hip, against the 2026 catalogue (source: The Pressbox). This is a sample of the deepest pages; full produce-record and red-cap evaluation of any individual lot is available as a single-analysis add-on.

Hip	Sire	Sx	Dam	Female-family black-type (verified)
16	Candy Ride (ARG)	C	Wolfbane (Union Rags)	Half-sister to G1 winner Paola Queen
17	Uncle Chuck	C	Wontoo (Montbrook)	Female family of Breeders' Cup winner Elmhurst & champion Our Mims
18	Bucchero	F	Words of Advice (Will Take Charge)	Out of a half-sister to multiple G1 winner Tizway
49	Coal Front	F	Air Cover (War Pass)	Female family of G1 winners Swagger Jack & Malibu Prayer
59	Central Banker	F	Amabilis (GB) (Champs Elysees)	Bred NY; :9 4/5 (co-fastest eighth, Day 1); family of G1 winners Segesta & Salamis
115	Munnings	C	Bellize (Noble Mission GB)	Half-sister to graded stakes winner Keri Belle
142	Independence Hall	F	Boom Boom Vroom (Zensational)	Half-sister to graded SW & OBS grad Sindy With an S
173	Colonel Liam	F	Cat Diva (Uncaptured)	Female family of graded stakes winner Susan's Angel

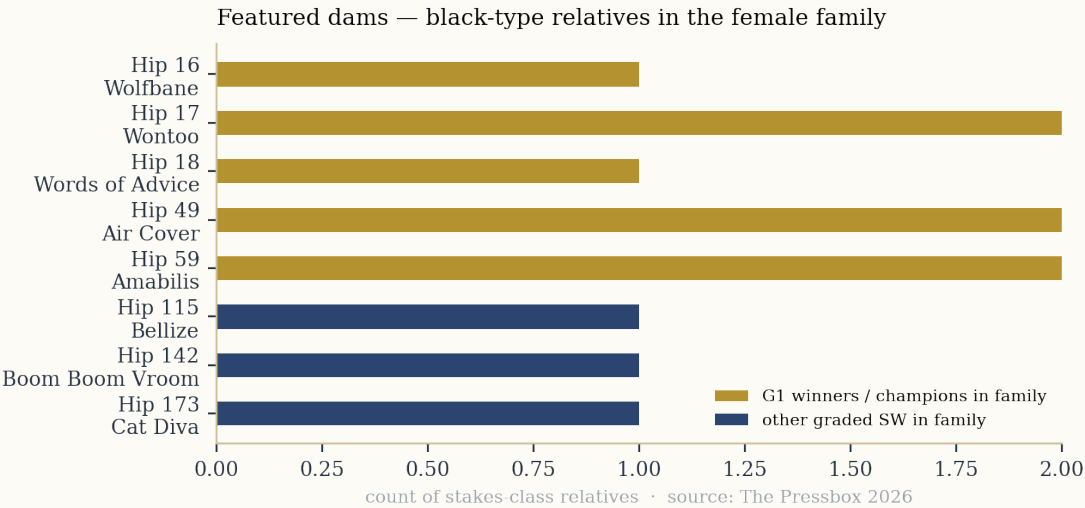

Fig. 6 — Stakes-class relatives within each featured dam's female family (G1 winners/champions in gold, other graded winners in navy). Source: The Pressbox 2026 hip-by-hip notes.

Standouts:

- **Hip 59 (Central Banker filly, NY)** — co-fastest eighth (:9 4/5) on Day 1 of the under-tack show, out of stakes-placed Amabilis (GB), from the family of active G1 winners Segesta and Salamis. Clock + page aligning.
- **Hip 16 (Candy Ride colt)** — out of Wolfbane, a half-sister to G1 winner Paola Queen; elite sire over a black-type family, de Meric consignment.
- **Hip 115 (Munnings colt)** — out of Bellize (Noble Mission), half-sister to graded SW Keri Belle; fast :21.0 quarter and a black-type dam.

MARKET ESTIMATE

Indicative value bands — global context

OBS June is the calendar's depth / value sale; its ceiling sits well below the spring select 2YO sales. The bands below are **indicative**, anchored to real 2026 comparables, and are *not* formal appraisals. FX is approximate (GBP ~1.27, EUR ~1.08 to the USD, early 2026); UK/IRE breeze-up sales (Goffs UK / Tattersalls Craven & Guineas Breeze-Up) trade in broadly similar bands once converted.

2026 reference comparables (verified)

Reference point	Price	Detail
OBS Spring (March/April) 2026 — sale-topper band	\$875,000 – \$925,000	Liam's Map filly \$925k; McKinzie filly \$900k; Speaker's Corner colt \$875k
OBS March 2024 — sale topper	\$3,000,000	Gun Runner colt 'Brant' (Zedan)
Yearling market — elite sires 2025	~\$731k–\$1.0M avg	Into Mischief \$731k avg; Gun Runner ~\$1.0M avg
Freshman 2YO market 2026 (Cyberknife)	~\$87,000 avg	OBS March — value-tier freshman benchmark

Indicative bands for this June sale

Lot profile	Indicative USD	≈ GBP	≈ EUR
HOT — elite page + bullet breeze	\$80k – \$250k+	£63k – £197k	€74k – €231k
HOT — fast breeze + commercial sire	\$40k – \$120k	£31k – £94k	€37k – €111k
WARM — timed, solid profile	\$15k – \$50k	£12k – £39k	€14k – €46k
WARM — pending breeze	re-rank post under-tack	—	—
COLD — slow / regional / G-only	\$3k – \$20k	£2k – £16k	€3k – €19k

How to read these: the spring sales set the 2026 ceiling — a Liam's Map filly made \$925k and a Speaker's Corner colt \$875k at OBS Spring. June rarely reaches those numbers; its value lives in the gap between a fast clock and an overlooked page. A WINNER (Hip 929) or a bullet-breezing colt by an elite/first-crop sire over a black-type dam is where the June upside concentrates. Every band remains conditional on physical inspection, breeze video and the veterinary repository.

PRIORITY LIST

Top 48 lots — highest conviction

Lots with the strongest combination of clock + commercial profile. These are the sale's headline buys — subject, like all, to confirmation of physique, breeze video and the veterinary repository before bidding.

COLD / CAUTION LOTS

COLD classification — 65 lots

Cold here is rarely "bad horse" — it is unfavourable risk-reward for a concrete, nameable reason: slow breeze with no elite page to offset, G-only (no timed work — buyer blind on the clock), or a defaulted account.

WARM / NORMAL LOTS

WARM classification — 571 lots

Includes (a) solid-profile lots missing one vector for the top, and (b) **540 lots with no breeze posted** (flagged PENDING). These cannot be HOT without the clock and should be **re-ranked once the under-tack show is published**. Sorted by partial score.
