BAY FILLY — 2024

by DRACARYS (AUS) out of MONDEUSE (AUS)

Oakwood Farm (As Agent) · Haigslea, Qld · Foaled: 23 September 2024 · QTIS Eligible

✓ STRONG VALUE

BloodstockAI Score

78 /100

Pedigree Rating

8.1 /10

Market Estimate

\$35K–\$55K AUD

Bloodstock Insight:

Exceptionally well-bred filly combining Dracarys (Snitzel) speed with the elite Star Shiraz maternal family — dam of Savatiano (G1, \$2.3M), Vilana (G1, \$2.4M) and Athiri. Full sibling Dragonne Rouge won Listed BRC Calaway Gal Stakes at her 3rd start. QTIS-eligible. Priority buy for Queensland juvenile syndication.

* Performance score (52/100) reflects the filly's unraced status as a yearling. Score is derived from race records of paternal and maternal half-siblings, weighted by proximity of relationship.

PEDIGREE HIGHLIGHTS

Sire	DRACARYS (AUS, 2014) — by Snitzel x Nocturnelle (Elusive Quality)
Dam	MONDEUSE (AUS, 2010) — by New Approach x Star Shiraz (Sequalo)
Damsire	New Approach (IRE, 2005) — Epsom Derby winner; Champion European 3YO
2nd Dam	Star Shiraz — G1 QTC Sires' Produce S.; G1 BTC Aon H.; dam of 6 winners
3rd Dam	Starshine Express (Semipalatinsk) — Speed-dominant producer
Family	Savatiano (G1, \$2.3M); Vilana (G1, \$2.4M); Attica (G1, \$1.4M)
Nick	Snitzel / New Approach — rated A+ (Danehill x Galileo complement)
Dosage	DI ~1.8 CD ~0.30 — optimal miler-to-middle distance profile
Inbreeding	Danehill 4S x 4D — via Snitzel→Redoute's→Danehill & New Approach→Galileo

PATERNAL SIDE ANALYSIS — DRACARYS (AUS, 2014)

Dracarys (Snitzel × Nocturnelle, by Elusive Quality) won the **G3 Up & Coming Stakes** at Randwick in track-record time defeating G1 performers Trapeze Artist and Ace High. A \$1M Magic Millions yearling, he stands at Oakwood Farm, Haigslea QLD at \$9,900 inc GST. Snitzel — his sire — was 4× Australian Champion Sire, sire of 160 stakes winners and 23 G1 winners before his death in June 2025. Dracarys already has 2 BT winners from his first 2 crops.

NAME	SEX / YR	NOTABLE ACHIEVEMENTS	EARNINGS
Dragonne Rouge	F / 2023	3 wins from 4 starts — Listed BRC Calaway Gal S. Unbeaten at 2YO. FULL SIBLING.	AUD \$269,100+
Storm Rider	G / 2021	G3 Chinese Club Challenge Cup, Sha Tin (HKG). Trained D. Hayes. International G3 winner.	~AUD \$2,000,000
Alberta Bound	F / 2023	3 wins in succession at 2YO (2025-26). City-class performer.	TBC
Oberoi Princess	F / 2021	6 wins. Consistent metropolitan performer.	AUD \$180,000+
Direct Fire	G / 2021	City winner on debut. Progressing through grades.	AUD \$80,000+

Paternal Insight: Dracarys has produced **2 stakes winners from his first 2 crops** — a strike rate exceeding most Queensland-based sires at the same career stage. Critically, **Dragonne Rouge (full sibling) is a Listed winner** — the single most powerful datapoint for this filly's commercial and racing potential. The Snitzel line averaged one stakeswinner every 19 days across 16 years.

MATERNAL SIDE ANALYSIS — MONDEUSE (AUS, 2010)

Mondeuse (New Approach × Star Shiraz, by Sequalo) is a winner at 1212m and is carrying her 7th live foal with **4 of 4 foals to race all winners**. Her sire **New Approach** (Galileo × Park Express) won the 2008 Epsom Derby and is Champion European 3YO. New Approach daughters excel with speed sires — the Dracarys cross is precisely the right formula.

NAME	SIRE	ACHIEVEMENTS	EARNINGS
Dragonne Rouge	Dracarys	3 wins. Listed Calaway Gal S. (L). FULL SIBLING to Lot 301.	AUD \$269,100+
Hibiscus Lady	Foxwedge	7 wins 900m-1600m. Crown Towers H., Tabtouch H., 2d ATC Ranvet H., China Horse Club H.	AUD \$331,651
Foxy Rocket	Foxwedge	2 wins 1100m-1500m. Aust. & Macau winner.	AUD \$138,915
Osaka Sunset	Fighting Sun	2 wins at 1200m, 1300m.	—

■ SECOND & THIRD DAM — THE STAR SHIRAZ FAMILY

Star Shiraz (Sequalo, 2001) — G1 QTC Sires' Produce S., G1 BTC Aon H., G1 TJ Smith Classic, G3 BTC Champagne Classic — earned **AUD \$859,400**. As broodmare: 7 starters, **6 winners**. Her daughter **Retsina** (Redoute's Choice) has produced foals earning a combined total exceeding **AUD \$7.2 million** — one of Queensland's highest-earning active broodmare families

HORSE	SIRE	KEY WINS	PRIZE MONEY
SAVATIANO	Street Cry	G1 Canterbury S., G2 Expressway S., G2 Millie Fox S., G2 Tristarc S. — 12 wins	AUD \$2,303,660
VILANA	Hallowed Crown	G1 BRC Moreton Cup, G3 BRC Fred Best Classic, G3 BRC South Pacific Classic — 8 wins	AUD \$2,375,300
ATHIRI	Lonhro	G3 ATC Kindergarten S., G3 Nivison S., G3 Magic Night S. — 5 wins	AUD \$823,000
ATTICA	Lonhro	G1 ATC Spring Champion S. (2025-26), G1 Dulcify S. — 3 wins	AUD \$1,389,200
ALEPPO PINE	Blue Point	Listed MRC Sportsbet H., 2d MRC Redoute's Choice S. (G3) — 2 wins	AUD \$267,450
RAKOMELO	Lonhro	2d ATC Canonbury S. (G3) — 2 wins at 1200m	AUD \$114,925

Combined documented prize money from Retsina's foals: **AUD \$7,273,525+**

■ GENETIC POTENTIAL — PATERNAL vs. MATERNAL

DIMENSION	PATERNAL (Dracarys / Snitzel)	MATERNAL (Mondeuse / New Approach / Star Shiraz)
Stakes Output	2 BT winners from first 2 crops; full sibling won Listed at 3rd start	6 stakes winners from Retsina branch; combined family AUD \$7.2M+
G1 Exposure	Snitzel: 23 G1 winners; Dracarys himself G3 record-breaker	Star Shiraz: 2xG1; Savatiano G1; Vilana G1; Athiri G1-placed; Attica G1
Precocity	STRONG — 5× Champion 2YO Sire; Dragonne Rouge won at 2 from 4 starts	MODERATE — most family wins arrive at 3YO+; Savatiano peaked at 5–6YO
Dist. Range	Speed emphasis: optimal 1000–1400m; milers via Shamus Award line	Mile–middle: New Approach stamina + Sequalo/Galileo; Star Shiraz 1000–1400m
Dominance	Stronger for COMMERCIAL VALUE & EARLY PRECOCITY	Stronger for PEAK CLASS CEILING & LONGEVITY
Nick	Snitzel / New Approach rated A+ (Danehill × Galileo complement)	New Approach daughters excel with speed sires — Dracarys is the right cross

Genetic Dominance:

The **paternal side provides commercial engine and early speed** — critical for the Queensland sales ring and juvenile racing. The **maternal side provides the class ceiling**: the Star Shiraz/Retsina family is Queensland's most prolific active G1-producing family with three individuals earning over \$1M. Buyers rarely encounter both dimensions so well aligned at this price bracket.

RACING PROFILE & DISTANCE APTITUDE

DISTANCE	SCORE	ASSESSMENT
Sprinter (900–1200m)	65 / Moderate	Will win at sprint trips at 2YO — speed from Snitzel/Dracarys line is reliable early
Miler (1200–1600m)	78 / Strong	Optimal distance range. Snitzel milers excel; New Approach mile/middle heritage confirmed
Middle Distance (1600–2000m)	60 / Moderate	Possible as 3YO+; Star Shiraz family proven here; stamina from Galileo line
Long Distance (2000m+)	30 / Weak	Not this profile — speed-dominant sire limits genuine staying potential

SURFACE	SCORE	ASSESSMENT
Turf / Grass	80 / Strong	Primary surface. New Approach horses excel on grass; family record strongly on turf
Dirt / Synthetic	45 / Moderate	Not primary; some Snitzel progeny handle all-weather (Storm Rider raced on both)
Wet Track	55 / Moderate	Snitzel progeny generally handle give in ground; New Approach is soft-track proficient

PROJECTED CAREER PATHWAY

AGE / SEASON	PROJECTED TARGETS	RATIONALE
2YO Spring 2026	Debut sprints 1000–1100m (Sep–Oct); Magic Millions 2YO pathway (Jan 2027)	Snitzel line = reliable 2YO speed. Dragonne Rouge won from same farm same age.
2YO Summer 2026-27	QTIS bonus races; Magic Millions 2YO Classic; BRC 2YO events	QTIS-eligible — significant bonus multiplier layer in Queensland.
3YO Autumn 2027	BRC Calaway Gal S. (L) 1200m; ATC Reisling S. (G2); Queensland Fillies pathway	Full sibling Dragonne Rouge won the Calaway Gal — confirmed family affinity.
3YO Spring 2027	Queensland Oaks (G1) 2000m — only if stamina develops; Fillies Classic series	Only if training indicates genuine staying; not the primary pathway.
4YO+	Brisbane winter carnival; fillies & mares features; Festival of Racing	Star Shiraz family often peaks at 4-6YO (Savatiano won G1 at 6).

COMMERCIAL & BREEDING VALUE

METRIC	ESTIMATE	BASIS
Current Market Value	AUD \$35,000 – \$55,000	Dracarys first-crop fillies; full-sibling premium; comparable Magic Millions QLD lots
Resale at 2YO In Work	AUD \$60,000 – \$120,000	Subject to condition and trials; Dragonne Rouge / Alberta Bound comparators
QTIS Bonus Pool Access	Up to AUD \$2,500,000	QTIS applies to all Qld-bred horses raced in Queensland — significant prize-money uplift
Breeding Value (if G1)	AUD \$150,000+ as broodmare	Star Shiraz descendant + Snitzel sire line = elite residual per Retsina precedent

INBREEDING ANALYSIS

Pattern	Danehill 4S x 4D — via Snitzel→Redoute's Choice→Danehill AND New Approach→Galileo→Danehill
Coefficient	Approx. 3.1% — mild positive inbreeding; within optimal range for performance enhancement
Assessment	Danehill duplication is the dominant positive nick in modern Australian thoroughbred breeding. The combination reinforces speed, class, and temperament traits consistently across both paternal and maternal lines. This inbreeding pattern is observed in Savatiano, Vilana, and other high-earning members of the family.

RISK FACTORS & CONSIDERATIONS

Dracarys sire book size:

Standing in Queensland with smaller book vs. major NSW/VIC sires. Commercial buyer pool for Dracarys progeny is narrower than Snitzel or I Am Invincible. Awareness of market depth required on sale day.

Mondeuse limited race record:

The dam won at 1212m only and did not contest higher grade. Whilst her 4/4 produce record is exceptional, the limited racing data provides less depth to extrapolate from.

First/second crop premium:

Whilst Dragonne Rouge is compelling evidence, commercial buyers may apply an early-crop uncertainty discount. Pedigree mitigates much of this risk but it must be acknowledged.

Conformation not assessed:

This report does not incorporate a live physical inspection. Independent assessment by a registered vet and bloodstock agent at Stable H17 is MANDATORY prior to bidding.

ANALYST VERDICT

Lot 301 is one of the standout fillies in this catalogue. She combines the most commercially proven speed-sire line in modern Australian breeding (Snitzel via Dracarys) with Queensland's most prolific active G1-producing maternal family (Star Shiraz → Retsina). The existence of a **Listed-winning full sibling (Dragonne Rouge)** is an extraordinarily rare and positive datapoint for a sale yearling — it transforms an already compelling pedigree into an evidence-based opportunity. At AUD \$35,000–\$55,000, this filly represents **strong value** for a syndicate or individual targeting the 2026-27 Queensland juvenile circuit. She profiles as a 1200–1600m filly with a class ceiling extending to Listed/Group level and a breeding residual that is meaningful regardless of racing outcomes.
